For the Freeport, Dodgeville & Northern Railroad Program

Saturday, May 19, 2018

*10:30 a.m. at the Argyle E&NS Building,
104 N. Broad Street, Argyle*

On Saturday, May 19th, former Argyle resident Doug Watson will present a powerpoint program on the history of the railroad that ran from Freeport, through Argyle, and continued on to its terminus at Dodgeville. He'll take you on a journey from the lines conception in 1884 when local businesses and village officials wanted to expand the limited commercial area of their respective communities. The program consists of nearly 60 slides, including images of every depot that ever existed during the lines existence

Mark your calendars - Annual LaFollette Day - Saturday, June 15th
